RE: Return Forms and Payment

Enclosed is a supply of returns and envelopes to remit Tourist Development Tax to the Osceola County Tax Collector. You must use the provided forms to ensure confidentiality and prompt posting to the correct account. Please use the tourist tax account number, at the top right corner of your return form, when corresponding with the Osceola County Tax Collector, Tourist Development Tax Department.

Please refer to the attached calculation instruction insert for assistance in completing your returns. **All return forms must be signed, dated and postmarked no later than the 20th of the month following the tax collection, even if no tax is due.** Late returns will receive a minimum \$50.00 penalty.

Example of Monthly reporting frequency: Money received in January must be reported on the January return form and postmarked on or before February 20th. If you did not receive any gross rentals in January, you must submit a Nil return by February 20th.

All payments must be made with checks or money orders drawn off a United States Bank, made payable in U.S. dollars to Bruce Vickers, Tax Collector. Tourist Tax payments cannot be combined with any other payments sent to the tax office. You must send separate checks. Do not post date checks. The check date should be in Month, Day, and Year format. Post dated checks will be returned. Sign the check on the right side. Your Tourist Tax account number, should you need to reference it, is the number on the top right corner of the return. **Your Tourist Tax account number is no more than five (5) digits long.**

Please verify that the information on the return form is correct. Note any corrections on the return form.

Each property manager or multi-location taxpayer must file a supplemental return (Schedule A) with their tax return. This is a requirement of Osceola County Rule TDT 97-1.
